Courageous **Confidence** Thirst for knowledge **Growth Mindset** SUMO Forst School Enrichment

English: Transparency Deliberate Courageous
Africa is our first stop this half term where we will be exploring a short film called Catch It! This charts a cheeky Meerkat family and their quest to keep hold of a precious fruit. Our focus here will be on mixing action, description and dialogue for our reader. We then move on to our class novel for this half term: The Super Miraculous Journey of Freddie Yates. This is the tale of a group of Year 6 boys who travel the country on an adventure in search of Freddie's dad.

Maths: Confidence, Resilience, Active Learners
We will be starting the final half term with more work on statistics. Following from last half term, we will begin with a revision of line graphs before moving on to bar graphs and pie charts. We will then revise calculating the mean. We will finish the year with algebra, starting off with function machines and learning then to describe rules and patterns. Daily fluency sessions will continue with a focus on key skills for high school.

History: Thirst for Knowledge Democracy
Ancient Greece is our focus, where we enter a world of Gods, Goddesses, Olympics, warfare and democracy! We will look at the many discoveries of the Ancient Greeks. We will see how their developments in medicine, politics, buildings and sport affect our lives today. We will also explore what life was for groups of people in Ancient Greece: how they were governed, warfare, the Olympiad and the evidence they left behind.

Christian Value
Friendship and Respect

Science: Active Learners Knowledge Forest School
Continuing our work on lifecycles, this half term we will be focussing on animals. We will begin with mammals and link this to revisiting our work on puberty before high school. We will then look a variety of animal groups and their lifecycles. Throughout the term we will be using a variety of scientific skills to observe changes in animals, record carefully sets of data we collect and work to conclude our experiments. We will also be designing our own fictional lifecycles.

Art and DT: Active Learners Confidence
Fashion will be the order of the day this half term! We will be learning how designers gain inspiration from their own cultures and bring this forward to their creations. We will explore pattern, line, shape and form to create our own 2d pieces for a 3d model. DT will also see us finish our tree frogs with a South American design using key textile stitches.

R.E
Christian Loss, Death and Hope
Enrichment -

P.E: Active Learner, Strong Relationships, Bold
Tennis - Mrs Horn Wednesday
Athletics - Mrs Cookson - Friday

Computing: Thirst for Knowledge
We will be using our programming skills for a second time this year, building on our skills to create a selection of quizzes based on our learning in history.

P.S.H.E
Mental and Physical Wellbeing
Money and work
