

Atlantis Class Prayer 24-25

Dear God,

Thank you for our lovely lives, our safe, warm homes, comfy beds, yummy food and clean water.

Thank you for our families and friends, who love us and take care of us.

Thank you for our school, our books and the teachers who help us to learn.

Thank you for our beautiful animal filled world that we get to explore and visit.

Help us to look after our homes and our belongings.

Help us to remember to say thank you to those who look after and love us.

Help us to try our best at school, even if we find things tricky.

Help us to take care of our world, speak up when things are not right and create a happier, better world for us and our animals.

Amen
