

Endeavour Class Prayer

Lord, our God,

Thank you for all the gifts you have given us, our loved ones, family and friends. Thank you for our pets that bring us comfort and joy. Our world is beautiful and we thank you for that too.

We pray for peace in our world. We also pray for those who are homeless, that they may find shelter. Help those who struggling with their mental or physical health to get better.

Be with us this year. Help us to show care and compassion to each other. Help us to show tolerance and patience. Stay with us and let us know you are close.

Amen
