

Atlantis Class

Meet The Teacher Evening

11.9.24

Welcome to Atlantis Class

- This year Mrs Brown will be teaching Atlantis full time except for Tuesday afternoons, when the children will be taught by Mrs Price.
- Atlantis class has 20 pupils. This gives us a fantastic opportunity to be a smaller class and a fantastic learning unit.
- This year, we are looking for our children to become more independent, start to explore ideas to a deeper level and ready the year 2 pupils for the jump up to KS2.
- The focus of the curriculum is on the children being accurate, flexible and efficient learners. All this prepares them for the rest of their school career.

Bold *Christian Values* **Resilience** **Strong Relationships** **Active Learners** **partnership**

Courageous **Confidence** **Thirst for knowledge** **Growth Mindset** **SUMO** **Forest School** **Enrichment**

Geography/History:

In Geography, we are looking at our world. We will be using maps to build our **confidence** in our **knowledge** of the Seven Continents, the Equator, the North and South Pole and their locations. We will also be looking at the different climates and comparing them. *"The earth is the Lord's, and everything in it."* **Corinthians 10:26**

Science:

We are **investigating** animals! We will explore the difference between fish, reptiles, birds, mammals and amphibians. We will active in exploring what these animals eat and where they live. *"A righteous man cares for the needs of his animals."* **Proverbs 12:10**

IT: Meaningful progression of skills

Technology in our classroom.

Art/DT: Resilience Explore and draw!

Community Environment Life

Christian Value for this half term
Thankfulness

RE for this half term
Harvest
Jesus, Friend to everyone

PSHE for this half term
Families and Friendship

British Value
Tolerance of Others

Maths:

We will be building our **confidence** and **thirst for knowledge** by tacking our understanding of Number! Both Year 1 and Year 2 will be expanding place value knowledge and applying it to Addition and Subtraction.

English: Confidence Partnership Growth mindset

In English, our focus is on stories by the same author. This half term our author is Rachel Bright. We will be exploring her books focusing on animals around the world who learn the characteristics of **courageous advocates**. We will also be creating non-chronological reports and looking at poetry by Clare Bevan. *"Whenever you're discouraged by injustice, take a moment to think about what you can do, remember all the great advocates who've gone before us, and ask God to help you not become weary in doing good."* **Galatians 6:9**

P.E: Active learners Dance, Net/wall skills

Music: Music from around the world

Around the world

- Our first half term theme is Around the World.
- This theme focuses different countries, continents, climates and animals around the world. In English look at fiction stories by author Rachel Bright. As well as writing non-fiction pieces on animals.
- This topic is heavily Geography based but our History comes by looking at how countries have changed and through out theme weeks.

P.E., Homework and Reading

- Our P.E days are Monday and Tuesday. Children will need to come to school in kit on these days. We do ask that children have PE pumps in their lockers for indoor PE.
- Spellings are set on a Monday, to be tested the following Monday. This year the homework consists of:

Year 1 - Spellings, Reading, Numbots

Year 2 - Spellings, Reading, Numbots, and TTRS.

- Children also need to remember their reading books on a TUESDAY to be changed.
- Children will be heard read throughout the week.

Spellings

- Year 1 - linked to previous week's phonics lessons
- Year 2 - linked to our spelling rule for the week

- Spelling quizzes are on a Monday.

- Strategies for you to help your child:
 - Use shaving foam, write in sand, write in the air (multisensory)
 - Use magnetic letters
 - Use fancy pens
 - Have fun!

Phonics for Year 1

- Year 1 follow Red Rose for their phonics.
- We have phonics daily and the children will take part in the phonics screen in June. The screen consists of real and 'alien' words designed to test the children's knowledge of the sounds they have learnt in phonics.

splet

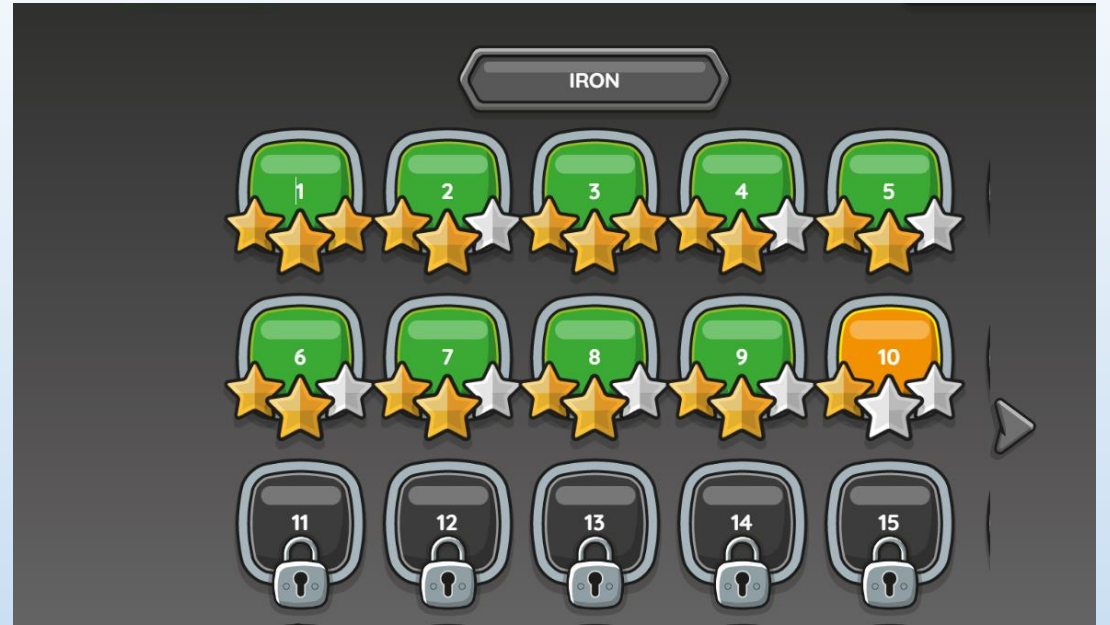

strave

Year 1: Numbots

- The children all have a Numbots login, sent via Dojo.
- Little and often is the key to success.
- The games help to secure key skills such as subitising, early addition, one more/less etc
- This is a smart game so it helps children practise areas they need more work on

Year 2 : Times Table Rock Stars

- Times Table Rock Stars is a homework computer game.
- This is for children to have a go and begin to start practising their times tables.
- The games are timed but there are no expectations for the children to achieve a set amount of correct answers in the time of the game.
- Like Numbots, it is a smart game. This means it will set games in relations to the times tables we set for them to learn and the answers they repeatedly get incorrect.

Jamming – No timer – They choose the tables

The image displays two overlapping screenshots of the 'Jamming' app. The background screenshot shows a calculator interface with a display showing $3 \times 10 =$. The calculator has a numeric keypad (0-9), a 'Delete' button, and an 'Enter' button. Above the calculator, there are three icons: a gear (settings), a crossed-out calculator (disabled), and a crossed-out calculator with a lightning bolt (disabled). A red circle highlights these three icons. To the right, a 'Correct' message is visible with a score of 5 and a top hat icon.

The foreground screenshot shows the 'JAMMING' settings menu. It features a 'TABLES' section with 'You choose' selected. The 'MODE' section is set to 'No timer' with '10 questions'. The 'COINS' section is set to '4 per correct answer'. The 'Multiplication and Division' mode is selected, and '10 questions' is chosen. A grid of question counts is shown below, with '10' highlighted in blue. A 'PLAY!' button is at the bottom.

Mode	Questions	Coins
Multiplication and Division	10 questions	8 per correct answer
Multiplication only	10 questions	4 per correct answer
Division only	10 questions	4 per correct answer

Questions	Coins

Behaviour and Sumo

SUMO

"Failure is an opportunity to grow"

GROWTH MINDSET

"I can learn to do anything I want"

"Challenges help me to grow"

"My effort and attitude determine my abilities"

"Feedback is constructive"

"I am inspired by the success of others"

"I like to try new things"

"Failure is the limit of my abilities"

FIXED MINDSET

"I'm either good at it or I'm not"

"My abilities are unchanging"

"I don't like to be challenged" "I can either do it, or I can't"

"My potential is predetermined"

"When I'm frustrated, I give up"

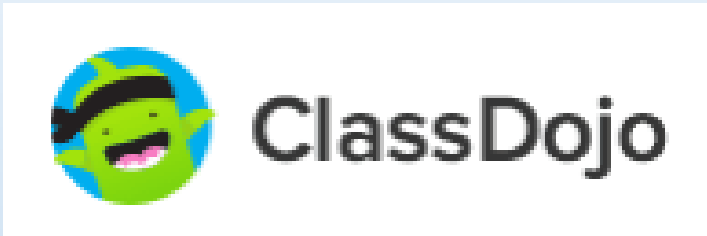

"Feedback and criticism are personal"

"I stick to what I know"

Class Dojo and Website

- Class Dojo is used for positive communication.
- Daily updates and pictures will be put on Dojo showing what the children have done in school that day.
- If you have any concerns please catch me on the playground or dojo me at school.
- The website is updated frequently with theme information.
- All the information about homework and P.E are also displayed.

Thank you for coming!

Please enjoy the chocolate treat.
