

**Bold** *Christian Values* **Resilience** **Strong Relationships** **Active Learners** **partnership**

**Courageous** **Confidence** Thirst for knowledge **Growth Mindset** SUMO Forst School Enrichment

**English: Active Learners Confidence Bold**

We begin this half term on the heath, enveloped in mist and intrigue! We join Macbeth on his thirst for power and hear a deadly prophesy that changes his life forever. Look out for our own scenes that we will be writing. Moving on, we will be using our learning in science to write explanations for our local non-smoking service and teaching others about the damage it does to the heart and lungs.

Breakthrough Longevity Circulatory

**Maths: Confidence, Bold, Active Learners**

This half term will be moving on to multiplication and division. We will begin with a revision of factors and multiples, before exploring square and prime numbers. Year 6 will be focusing on the order in which we do calculations (called BIDMAS). We will then be looking at more formal methods of calculating. In our fluency sessions, we will be continuing to revise key previous learning to retain our skills.

**Geography:** Locations, physical and human features of the United Kingdom. **Thirst for knowledge** to delve deeper into key locations. We begin by revising the four countries of the United Kingdom and the difference between the UK and GB. We then locate key landmarks and explore the physical and human features of our nation. We learn about key mountains and rivers, as well as our county system to group areas.

**Christian Values**

**Peace (link to WW11 Week) and Trust**

**R.E**

**How do Christians Prepare for Christmas?**

**DT: Confidence Resilience**

This half term we are focusing on Christmas and joining materials! We are planning on designing and making our own advent calendar from hessian and Christmas materials. We will learn to sew on pockets and make sure our fabric is finished well. We using CAD technology, Tinkercad to design and make our pieces, exploring different tools.

**P.S.H.E.**

**Growing and Changing  
Making Healthy Choices  
Boundaries**

**IT: Thirst for Knowledge Resilience**

Creating media is our theme and we will be learning how to create our own website.

**British Value**

**Mutual Respect**

**Science: Longevity Circulatory Breakthrough**

A study of three major parts of the body: the lungs, heart and the blood. The children will explore how our circulatory systems works and what we can do to keep it in tip top shape. We will explore how exercise is linked to this and the effect of physical activity on the body. Finally, using SCARF education materials we will look at health villains such as cigarettes and alcohol.

**P.E: Active learners Partnerships Confidence**

**Hockey - Active Learners Danish Longball - Partnerships**

**Music: Active Learners Confidence**

**Modern Jazz - continuing to read music and improvisation skills.**

**French: Clothing** - how to ask for clothes and say what you are wearing.
