### English: Courageous and Bold writers

This half term we will be **exploring** the Shakespeare play script, Julius Caesar. Pupils will be using a subordinate clause to extend sentences using a variety of conjunctions. We will then enjoy a fiction unit based on the story, The Silence Seeker. Throughout our English units, children will be encouraged to show pride in their work and show the skill of editing in order to improve.

### Maths: Resilience and Confidence

This half term we are developing understanding of Statistics. Children will be reading and drawing their own charts and graphs and thinking about how we use them in daily life. We will then **courageously** tackle fractions. As part of our geometry lessons, children will be looking at perimeter and area. Our fluency sessions will continue daily.

### Geography: Resourceful

Through geography lessons, pupils will learn about why rainforests are important to us, Children will understand the layers of a rainforest, and explore how the Amazon rainforest is changing. Pupils will understand the negative impact humans have on the rainforest and use our courageous advocacy to explore ways that we can fight for action to stop deforestation.
